the same under Muzarai management.

2. Mr. V. P. Madhava Rao, the then Deputy Commissioner in his report dated 20th February 1892 observed that he had personally inspected the Temple and found it to be a large well built stone building the like of which he had not seen in the Bangalore District, and recommended a grant of some Government allowance to the Institution.

3. Again on the 3rd February 1893 Mr. Shujayel-Ali, the present Deputy Commissioner submitted a further report on the same subject, in which he remarked that he had also inspected the Temple and found the decayed portions thereof restored by the [illegible] at a considerable c that Puja in the had been duly rev was being performe He accordingly supp recommendation of hi for a grant of Tas Institution.

4. This temple was also inspected by me last month It is of course a large one substantially built of stone. The residents of Harohalli have evinced great interest in its restoration and they are very anxious that Government should be pleased to help the Institution with some Muzrai allowance.

5. I have lately called for and obtained from the several Districts Statements of Ready Money Inams that have lapsed to the State since the Inam Settlement. The Bangalore District Returns shew that Brahmadaya annual grants to the extent of Rs 206-10-0 have lapsed to Government in that District. I would recommend that a small grant of Rs 7 per mensem be sanctioned to the Temple out of this amount.

Taluk, Bangalore Distt

---"---

The residents of Harohalli in a petition dated 29th January 1892 and subsequently in a Mahazar dated 12th June 1892 represented to the Deputy-Commissioner that the temple of Arunachalleswaraswamy in their village was a large one built at a cost of a lac of Rupees, that the institution was in the enjoyment of extensive Inams - both land and cash - which were resumed during the Mahomedan rule of the country and were not restored subsequently, that the services in the temple in consequence ceased to be kept up, and that they would repair the temple and restore worship therein very shortly. The petitioners therefore prayed that the Govt"

might be pleased to grant a small Jaedik to the Institution, and take over the same under Muzrai management.

2. Mr V. P Madhava Row the then Deputy Commissioner, in his report dated 20th February 1892, observed that he had personally inspected the temple and found it to be a large stone structure, the like of which he had not seen in the Bangalore District, and recommended a grant of some Government allowance to the Institution.

3. Again on the 3rd February 1893, Mr Shujayet Ali, the present Deputy Commissioner, submitted a further report on the same subject, in which, he remarked that he had also inspected the temple and found the decayed portions thereof since restored by the villagers at a considerable cost and that Pooja in the temple had been duly revived and was being performed regularly. He accordingly supported the

recommendation of his predecessor for a grant of Jaadik to the Institution.

4 This temple was also inspected by me in June last. It is of course a large one substantially built of stone. The residents of Harohalli have evinced great interest in its restoration and they are very anxious that Government should be pleased to help the Institution with some Muzrai allowance.

5. I have lately called for and obtained from the Inam Superintendent a Statement of Ready Money Inams resumed at the Inam Settlement and also similar Statements from the several Districts to shew the allowances lapsed to the State since. These returns shew the following particulars in case of the Bangalore District: ——

Resumed at the Inam Settlement	Per annum
Devadaya Rs	106-11-2
Personal Rs	113-13-2
Total Rs	220-8-4
Lapsed to the State subsequent to the Inam Settlement — Bhramadaya Rs	205-10-0
Grand Total Rs	426-2-4.

6. I beg to recommend that a small grant of Rs 7/- per mensem or Rs 84/- per annum be sanctioned to the temple out of the lapses shewn above.

Sir,

I have the honor to state that during my tour of Inspection of Kankanhully Taluk, I found that there was a large well built stone Temple at Harohalli, dedicated to Arma-Chelaswamy. The Temple is at present in disuse. The villagers, among whom there is a large Number of Brahmins, are prepared to purify and start worship in the Temple, at their own cost; but pray for a small "Jasdik" to keep it up. I think it

is in every way desirable to re-
-store the Temple. I would recom-
mend that Government may be
pleased to grant a small allowance
and take it under Mbuzzi manage
-ment. I have not seen a Temple
of this size in this part of the
country-

Sir,

In continuation of this Office letter No. 979 dated 20th February 1892, Regarding the grant of a small Inadik to the Arunachaleswara Swamy Temple, Haroballi Kankanhalli Taluk, I have the honor to state that I lately visited the village and the Temple. Most part of the latter especially the Central part, where the Idols are kept have been restored by the villagers, apparently at a considerable cost, and Poojah is now regularly performed both at the main shrine and at that devoted to Parvatee. I would solicit the favor of early orders on Mr. Madhava Rao

Recommendations for a Small Insdik.

2. I would also invite attention to my letter No. 509 of the 9th December last — and to State that Rs 205/. of Brambadaya has lapsed to Government in this District, since Inam Settlement.

The Muzarayi Superintendent's Memo on the above, dated 12th July 1894.

No. 26-8—MUZ. F. 3-94, DATED BANGALORE, 16TH JULY 1894.

ORDER THEREON.—The large temple of Arunachalêswaraswami in Harohalli was in the enjoyment of large cash and land inams, all of which were resumed during the Muhammadan rule of the Province and have not since been restored owing apparently to its condition of non-repair and non-performance of the Puja. The residents of the village have now thoroughly repaired the decayed portions of the temple at a considerable cost and have revived worship therein.

2. After due consideration of the foregoing circumstances, the Government are of opinion that the case is not one which requires to be gone into for the purpose of ascertaining the value of the resumed grants; for, for obvious reasons, no restoration of the resumed grants under the ordinary rule can be attempted in an exceptional case of this nature. All that the Government can do in a case of this kind is, to grant to the temple a minimum cash allowance for its maintenance, leaving it to the devotees to supplement the same by their voluntary donations.

3. Under the above circumstances, the Government are pleased to grant to the Arunachalêswaraswami Temple a cash allowance of Rs. 84 per annum with effect from the 1st July 1894. The Inam Superintendent is requested to register the same in the name of the Temple.

4. The institution will be taken over under Muzarayi management, and the Muzarayi Superintendent will settle the details of the Paditara and other expenses of the Temple.
